

Marcum-Illinois Union Elementary School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Principal's Message

Marcum-Illinois Elementary School is a rural, one-site elementary school district located in East Nicolaus, Sutter County. It is a union of five historic districts and was established 80 years ago. Marcum Elementary serves students in TK through eighth grade as well as 3 and 4 years old in our State preschool. We offer an after-school program called "The Den" that provides literacy, enrichment, and recreational support for students daily from 7:00 A.M. to 8:00 A.M. and 3:00 P.M. to 6:00 P.M. We are very proud of our student accomplishments, school traditions, and community support. We look forward to sharing this report with you.

School Mission Statement:

Our Mission:

The mission of the Marcum-Illinois Union Elementary School District is to provide a high-quality education for every student in this district.

Our Vision:

All stakeholders of the Marcum-Illinois Union Elementary School District commit to act in collaboration and to openly support our district's students in their pursuit of a quality education.

Impact of LCAP

Our school stakeholders have identified our core values and identified critical areas of focus for our school as represented in our Marcum-Illinois District Strategic Plan. The LCAP is reflective of the local plan that has been put into place by our stakeholders.

The district goals were designed to meet the needs of all students, in particular those who are Low Income (LI), English Learner (EL), and Foster Youth (FY). While many of the goals address multiple areas of the state’s priorities, they also correspond well to the LCAP’s three broad categories: Conditions of Learning, Pupil Outcomes, and Engagement. The superintendent/principal worked with Sutter County Superintendent of Schools Education and Business Services and used the time to address “the what” (or the goals) and “the how” (or the actions and services) in the writing of the Local Controlled Accountability plan.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: October 14, 2019

The teaching staff selects adoptions from the California State Board of Educations' approved instructional materials lists. Our textbooks are aligned with the State adoptions. The Technology Plan was rewritten and approved by the State in 2013. We have a 20- student computer lab, chromebook class sets in grades K through 8th, and ipad stations in grades TK through 1st.

Marcum-Illinois ES provides each pupil (including English Learners) with their own copy of the Standards-aligned textbooks (approved by State Board of Education) and instructional materials in the core curriculum areas of reading/language arts, math, science, history/social science, foreign language, and health.

All students in visual and performing arts classes have access to the appropriate textbooks and instructional materials. Marcum-Illinois Elementary School offers the following visual and performing arts classes to all grade levels . Marcum-Illinois also provides art and drama that is embedded in the Standards-based, self-contained classrooms.

School Facility Conditions and Planned Improvements

Marcum-Illinois School was established 90 years ago, the current school site was built in 1960. The 2006 modernization included all ten classrooms, kitchen, bathrooms, administration offices, media center classroom, sewer and parking lot. Marcum-Illinois School has a reputation as a safe, clean, well cared for campus. The grounds/custodial staff keeps the restrooms, buildings, and grounds clean and neat.

This past year , we have added chromebooks or ipads for every student. We have completed facility upgrades to the blacktop area and the preschool.

We purchased new appliances for the kitchen and modernized the electrical and plumbing for the kitchen. We also upgraded the playgrounds for the preschool and elementary school.

We provide a safe, clean learning environment in three permanent structures, housing ten classrooms, the main office, multipurpose room, computer lab, library, and kitchen. Portables provide three additional classrooms. Together the buildings accommodate 300 students and 24 preschoolers.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

We believe that nothing should get in the way of the academic achievement of our students. Our District is committed to providing a safe, secure environment for learning. Our staff members work together closely to ensure student safety.

An Emergency Handbook is kept in the school office, and outlines a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills. In addition, every classroom has an Emergency Procedures folder for the teacher's use. The Sutter County Fire Department conducts periodic school safety inspections.

The School Safety Plan was last reviewed, updated, and discussed with the school faculty in August of 2020. The school safety plan will be reviewed again in February of 2021. Key elements of the plan include monthly safety drills, crisis intervention plans, and emergency response procedures.
