September has flown by and it is finally starting to feel a little more like fall. Our Wildcats have been working hard in their classes and having fun out on the playground all month. It has been great to see them learning and growing each day. Progress reports will be coming home soon, as there has already been 6 weeks of school. Please check with your student and follow up with you child's teacher if you don't receive a progress report on Friday or early next week. Our families are still doing an amazing job following procedures and helping to ensure that our students, staff, and school stays as safe and healthy as possible. Please continue to stay diligent and keep your children home if they are feeling ill or experiencing any Covid related symptoms. If your child was exposed to Covid, tests positive for Covid, or is awaiting test results for Covid, please contact me so we can make proper arrangements. Thank you for all you do to help keep our school safe and open!

Red Ribbon Week

Marcum will be celebrating Red Ribbon Week October 25-29. The purpose of Red Ribbon Week is to cultivate an atmosphere of healthy, drug free lives. Throughout the week students will be encouraged to participate in dress-up days and classes will have their annual door decorating contest. The week will end with our monthly Wildcat ROAR assembly where winners will be announced, and we'll wrap up the themes for the week. Theme days and more information about Red Ribbon Week will be announced soon and will be coming home with your children!

October 29th

On October 29th, the students are permitted to wear their costumes to school if they choose to do so. We will have a costume parade in the morning where all students will have the opportunity to participate. There will be prizes available for students with the best costumes in each grade span. October 29th is a minimum day and students will be dismissed at 12:20, 12:25, and 12:30. The Den will be open for students who are registered to attend the Den.
