

The Marcum-Illinois Union Elementary School District would like to recognize Sarah Lego as a valuable member of our Marcum School Community and present her with the Wildcat Contributor Award.

Sarah is not just an ordinary teacher; she is a natural educator with a unique gift for engaging her students through enriching lessons. She makes learning fun and easily keeps her students engaged in learning the material. Sarah understands that education is not just about textbooks and lectures; it's about fostering a love for learning that will last a lifetime. Over the last five years, we have watched as she ignites a passion for knowledge, especially in history, within each and every one of her students.

Sarah's impact goes beyond her instructional expertise. She is also a master at building relationships with her students, understanding their individual needs, and providing them with the support and guidance they require. She creates a safe and inclusive environment where every student feels valued, heard, and empowered. Her students respect her and enjoy the time they spend together.

In addition to her outstanding teaching abilities, Sarah is always willing to go the extra mile for her school community. Whether it's assisting with extracurricular activities, volunteering for school events, or lending a helping hand to her colleagues, she is a true team player. Sarah's actions exemplify our ROAR expectations and she always exudes Wildcat spirit.

The Marcum Board would like to thank Sarah Lego for all that she has done for our students and our school. We are so appreciative of Sarah's contributions and her dedication to Marcum. We will greatly miss her!
