4. New Business

a. *Local Indicators, Parent and Family Engagement: Concerns about communication from additional resources such as speech, OT, etc. Documents and surveys would be more beneficial if translated. ALMA site not easily navigated by second language families. Parents with multiple children find it difficult to receive communications on so many different platforms. Potentially adding opportunities for parent-staff/admin connections and culture experiences such as a multicultural day or addition to Marcum Matters.*

b. *Safety Plan: Recommended to Approve Safety Plan by August*

i. Add CDE Bullying Prevention: Add bullying prevention link

ii. Update off campus evacuation site: Change from SSRA hall to SLL fields. New site provides more distance and open space for emergency personnel and equipment

iii. Quick reference sheets: Add quick reference sheets and trauma kits
