Called to order at 7:06pm.

4. SOUTH SUTTER CHARTER SCHOOL UPDATE

South Sutter Charter School sent their monthly update which included financial and enrollment reports, information on CAASPP participation rates, progress on the mosaic mural project at the Learning Center, as well as recent and upcoming events.

A new representative will provide updates for our Board meetings, likely remotely.

Superintendent Irby attended a Teen Social event at the Learning Center today which was well attended and engaging.

5. SUPERINTENDENT'S REPORT

Maggie Irby shared that one of our Preschool teachers, Ms. Margarita, moved on to new professional opportunity. Marcum will hire a new teacher for the remainder of the school year. There will a substitute aide until the new hire starts next week.

The 6th Grade Teacher position has been posted. We have received one application so far.

Marcum rented a school bus from Durham to cover a recent field trip. We are working with current staff members to explore opportunities for securing an additional bus driver. We have found an organization will hopefully support substitute bus driving as needed.

2nd Trimester has come to an end, and we celebrated Wildcats who met their reading goals and made honor roll. 2nd Trimester review of interdistrict agreements will take place in the coming weeks.

Marcum is planning to limit TK interdistrict enrollment to maintain a low class-size and allow for a high quality program to be maintained.

We are beginning to prepare our year-end activities such as the softball tournament, Game Day, and more. Browns is hosting the end of year 8th grade celebration.

In celebration of Marcum’s 100th school year, Open House will be hosted as birthday party! Plans and preparations are in discussion.

Upcoming trips include the Cosumnes River Preserve: Canoemobile (5th/7th) and Shady Creek (6th). Shady Creek will be transitioning from a 5-day week to a 4-day week for all programs starting next fall.

CAASPP testing is approaching, and Marcum will have an Old West theme this year: “Saddle Up for Success!”

Mrs. Brazil has been coordinating math curriculum reviews, alongside Browns, Pleasant Grove, and Robbins. We plan to bring curriculums we are planning to pilot to the Board next month.

6. COMMENTS FROM THE PUBLIC

As the Board discusses agenda items, audience participation is permitted. The president will recognize those members of the audience who wish to speak. If necessary, each person wishing to speak will be asked to identify himself prior to speaking.
