enforcement-related request by a law enforcement officer for access to a student or to district property, including service of lawful warrants, subpoenas, petitions, complaints, or other similar documents.

Responding to Law Enforcement Officers on District Property

District staff shall report the presence of any law enforcement officer on district property for immigration enforcement purposes to the Superintendent.

Unless a law enforcement officer declares that exigent circumstances exist and demands immediate access to the campus, district staff shall take the following actions when such an officer is actually or imminently present on district property for immigration enforcement purposes:

1. Advise the officer that before school personnel can respond to the officer's request, they must first receive notification and direction from the Superintendent, principal, or designee, except under exigent circumstances that necessitate immediate action
2. Request to see and record or otherwise document the officer's credentials, including the officer's name and badge number, and the phone number of the officer's supervisor, and note or make a copy of all such information
3. Ask the officer for, and then record or otherwise document, the officer's reason for being on district property
4. Request that the officer produce any documentation that authorizes the officer's school access, make copies of all such documentation, and retain at least one copy for district records

Regardless of whether the officer declares that exigent circumstances exist, district staff shall not attempt to physically impede the officer, even if the officer appears to be acting outside the law or in excess of the officer's stated or documented authorization. If an officer enters the premises without consent, district staff shall document the officer's actions while on campus but only to the extent that it does not impede the officer's actions.

After the officer leaves district property, district staff shall promptly make written notes of all interactions with the officer, including:

2. The identity of all other district staff known to have communicated with the officer

The district's legal counsel or the Superintendent or designee shall submit a timely report to the Governing Board regarding the officer's requests and actions and the district's response. (Education Code 234.7)

The Superintendent or designee shall also email the Bureau of Children's Justice in the California Department of Justice (BCJ@doj.ca.gov) regarding any attempt by a law enforcement officer to access a school site or a student for immigration enforcement purposes.

Responding to the Detention or Deportation of Student's Parent/Guardian

The Superintendent or designee shall encourage parents/guardians to update their emergency contact information as needed at any time. The Superintendent or designee shall notify parents/guardians that the district will only use information provided on the emergency cards in response to specific emergency situations and not for any other purpose.

The Superintendent or designee may also encourage all students and families to learn their emergency phone numbers and be aware of the location of important documentation, including birth certificates, passports, social security cards, physicians' contact information, medication lists, lists of allergies, and other such information that would allow the students and families to be prepared in the event that a student's parent/guardian is detained or deported.

In the event that a student's parent/guardian is detained or deported, the Superintendent or designee shall release the student to the person(s) designated in the student's emergency contact information or to any individual who presents a caregiver's authorization affidavit on behalf of the student. The Superintendent or designee shall only contact child protective services if district personnel are unable to arrange for the timely care of the student by the person(s) designated in the emergency contact information maintained by the school or identified on a caregiver's authorization affidavit.

In an instance where a student's parent/guardian was detained or deported, the Superintendent or designee shall notify the student, as well as the individuals designated in the student's emergency contact information and any individual who presented a caregiver's authorization affidavit on behalf of the student, that the student continues to meet the residency requirements for attendance in the district if the student and the student's parent/guardian who was detained or deported satisfy the conditions as specified in Education Code 48204.4.
